Respected Sir/Madam

Greetings from Swadeshi Science Movement of India, Delhi (SSM'D)

PFA (brief of the objectives, etc. as intro)

Swadeshi Science Movement (SSM) also called Vigyan Bharti is a premier non-profit organisation devoted to disseminate the scientific advancement, founded by Professor K.I. Vasu & his associates from IISc, Bengaluru on 7th Nov. 1982. The foundation principle is for the development of Swadeshi Vigyan, integrating traditional & modern sciences catering to national needs and society. SSM'D (Vigyan Bharti, Delhi) since its inception from 1994 as an independent popular Science forum has organized numerous National conferences, workshops, Vigyan Melas, lectures and symposia using National languages for facilitating interaction amongst researchers and foster exchange & dissemination of the Innovations in Science, Engineering and Technology. Furthering its venture, SSM'D has been in the process of bringing out a new Bi- annual publication: E-Swadeshi Vigyan Patrika (E- SVP) to bring advances in all aspects of *Swadeshi Sciences* to the mass, thus building a more informed scientific society. The *Patrika* thereby aims to publish articles highlighting all aspects and advancements in *Swadeshi Vigyan*- Indigenous Science for national development. **Inaugural issue Jan. – June 2020 is ready for publication.**

We, on behalf of the Editorial board of **E- SVP**, therefore, invite articles on indigenous development of Science, Engineering, Technology, Education **either in Hindi / Regional languages preferably or in English of about 3000 words in MS Word & Krutidev 10 font preferably or in any other fonts like Unicode, etc** for Hindi matter along with abstract in English on topics related to:

- Innovative Indigenous Inter-Disciplinary Translational Research & Scientific Efforts
- Eco-friendly Technology with Human Face in Physical Sciences, Chemistry, Electrochemistry, Botany, Zoology, Mathematics, Agriculture, Health, Water, Biotechnology, Information, Forensic, Environmental, Space & Nuclear Sciences and IPR Leveraging
- Ayurvedic, Yog, Indian System of medicines, Go-vigyan, Uses of Herbal in Modern Therapy, Applied Jyotish Vigyan
- Innovations in the Path of Traditional Knowledge, Sustainable Consumption/Living/Development with Special Focus on Rural Development through Utilization/Management of Natural Resources vis-à-vis New Economic Environment
